## Report on Fire Service Week Awareness Programme

Swami Dharmabandhu College of Education, Hazaribag organized an awareness programme on the occasion of Fire Service Week from 14 April to 20 April 2026, following the instructions received from the Fire Department. The program was led by Fire Officer Shailendra Kishor. Under his guidance, team members Gauri Shankar Pandey, Khatiran Horo, Rajesh Minj, and Pradeep Kumar conducted the mock drill. The theme for this year was “Safe School, Safe Hospital & Fire Safety Aware Society – Together for Fire Prevention.”

The programme was conducted under the guidance of Principal Dr. Sarika Kumari. All faculty members, non-teaching staff, and B.Ed. students actively participated in the programme. The main objective of the programme was to create awareness among students and society about fire safety measures and prevention of fire hazards.

### Objectives of the Programme

1. To create awareness among students about fire safety and fire prevention.
2. To educate students about the causes of fire accidents and ways to avoid them.
3. To provide knowledge about safety measures during fire emergencies.
4. To encourage students to spread fire safety awareness in society.
5. To develop a sense of responsibility among students regarding disaster management and safety.

proper use of electrical appliances, safe handling of inflammable materials, and the importance of maintaining fire safety equipment in buildings.

On this occasion, fire service personnel from Hazaribagh Fire Department visited the college and gave a live demonstration to the students. They practically showed how to use fire extinguishers and explained the correct methods to control fire during an emergency. The fire personnel also demonstrated different safety techniques and guided students on how to remain calm and act quickly in case of fire accidents.

An awareness session was also conducted where students learned about what to do and what not to do during a fire emergency. Students were encouraged to spread awareness in society about fire safety and disaster management.

The programme was very informative and beneficial for all participants. The active involvement of B.Ed. students made the programme successful and meaningful. It helped in developing a sense of responsibility among students regarding safety and prevention of fire hazards in society.

In conclusion, the Fire Service Week awareness programme successfully conveyed the message of fire prevention and safety. The college community pledged to remain alert and promote fire safety awareness for building a safer and safer society.
