Report On World Earth Day (Poster Making Program)

Introduction

A Poster Making Program was organized by the NSS Unit-1 and Hariteemaa Eco Club at Swami Dharmabandhu College of Education, Hazaribag in the college Seminar Hall. The program was conducted under the guidance of the respected Principal Dr. Sarika Kumari. All teaching staff, non-teaching staff, and the students of B.Ed. session 2024-26 and 2026-27 actively participated in the program. The main aim of the activity was to promote awareness about environmental protection and social responsibility through creative expression.

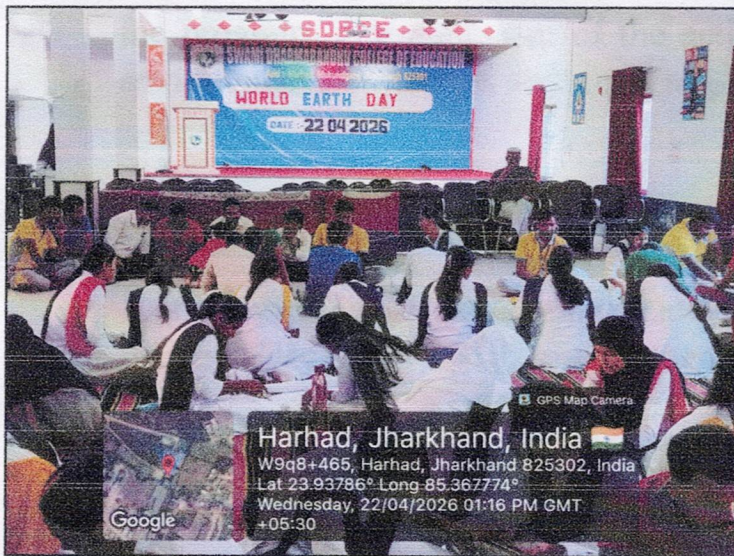

Objectives of the Program

1. To create awareness among students about environmental protection and sustainability.
2. To encourage students to express their ideas and messages through creative posters.
3. To promote participation in co-curricular activities organized by NSS and Eco Club.
4. To develop creativity, teamwork, and communication skills among students.
5. To inspire students to spread awareness about environmental issues in society.

During the program, students enthusiastically prepared posters highlighting themes such as environmental conservation, cleanliness, water conservation, and sustainable living. The students used colors, drawings, and meaningful slogans to convey important messages related to protecting nature and maintaining a clean environment. Faculty members guided and motivated the students throughout the activity.

Conclusion

The Poster Making Program concluded successfully with enthusiastic participation from students and staff members. The activity provided a valuable platform for students to showcase their creativity and develop awareness about environmental issues. Such initiatives by the NSS Unit-1 and Hariteemaa Eco Club play an important role in encouraging students to become responsible and environmentally conscious citizens.
